Dear Mr. Roberts:

On September 15, 2000, we received your letter advising us of your delay in payment of your permit fees for the five mine sites you have in Juab and Millard Counties. We regret to hear of the unfortunate situation your partners left you in.

You did not mention as to when you felt you would be able to take care of these fees. This letter is to inform you that we will not be turning over any past due accounts to the Utah Office of Debt Collection until the first of November. At that time the accounts will have been 90 days past due.

We hope you will be able to meet your obligations before that time. Please contact me if I can be of further help.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Munson'.
